# Gazi Ashiq

Backend Developer (Python | Django | TypeScript)  
Dhaka, Bangladesh

## Summary

Software developer who works autonomously and strives to come up with solutions that are both viable and easy to maintain. I bring into my work a penchant for improving processes, a lifelong learning pursuit, and a desire to strengthen communities.

- Creative, analytical and quick self-learner
- Strong debugging and independent problem solving skills
- Writing effective, scalable code
- Developing back-end components to improve responsiveness and overall performance

Feel free to email me: GaziAshiq.Dev@gmail.com
